Live Music Makes Mountain Magic!

From April's Wrightwood's Got Talent, to June's Houz ah Blues, to the ongoing Hot Summer Wednesday Nights at the Village Grind, to Blues Nite Open Mic the first Friday of every month at the Wrightwood Brewery...you have helped us do our part in support of our many talented local musicians. And now, on to Fire on the Mountain July 30th...Wow wow wow!!

Sadly, on July 19th we lost one of our major mountain makers-of-magic, Mr. Michael Palecki. Michael, an honorary lifetime WBS member, was front and center for every WBS, CenterStage, and ANY event important to this community. As a friend, and as a reporter for the Mountaineer Press, it seemed as if he made it his personal mission to fulfill and compliment ours. In 2019, I had the honor of presenting Michael with the "keys to the city." You see, while it is true that Michael always wanted to cover the story and never to be the story, we knew and insisted that he was and will always be a part of OUR storyline. What we really gave him (and I think he knew full well)...were the keys to our hearts. **RIP Michael.**

July 30th "Fire on the Mountain (FOM)"
This year, produced in association with WBS to include a performance and release of "T Time" *the final guitar recordings of Terry DeRouen.* (WBS Lifetime members will receive a free CD). Tommy and Gayle Dowling's annual FOM production brings a daylong variety of eight outstanding bands. According to Producers "this year's show is dedicated to the memory of Michael Palecki, and his reserved chair, although empty, will mark a celebration of his wonderful spirit!

FOM Lineup: **The Dogs**-a rock & roll cover band. "They don't play the hits, they play the other songs. Some Dog members have shared stage with the likes of Bill Medley, Heart and Van Halen." **Windy Ridge**-a newly formed country/folk trio based in Wrightwood. "Their harmony blend is lovely and a pleasure to hear" **Mystic Mountain**- "a local folk/rock band performs songs written by Gayle Dowling and arranged by guitarist Danny Flores." **The Chucks**- "Country/rock with a side of bluegrass. Band members were part of the Bodie Mountain Express band and toured with Elvis Presley." **Basslines and Leach Project**- "Our good friend Rich Leach brings Reggae to the mountain! His newest configuration guarantees everyone a great time dancing." All WBS Members enjoy a 40% discount on FOM Tickets! ...on sale at [Get Tickets](#)

Please Welcome New WBS Lifetime Members: Dave & Bonnie, and new Members: Sheridan, Tracy, Grant, Carol, Bob, Doug, Danny, Jeremy, Sandro and Sharon!
